Embrace your inner *Sanctuary*

balance

Massage

Relax and rejuvenate with therapeutic, deep tissue, cupping, hot stone, and sacred rain massages that relieve tension, boost circulation, and restore balance.

Acupuncture/TCM

Bring your body back to balance and ease with acupuncture treatments, Traditional Chinese Medicine, and facial rejuvenation acupuncture for holistic wellness.

Homeopathy

Experience a natural, individualized approach of addressing diseases/disorders from their roots; catering to every individual's own distinct body type and symptoms.

Osteopathy

Restore mobility and relieve pain with gentle osteopathic treatments that align the body, improve circulation, and support natural healing and wellbeing.

Ayurvedic Consultation

Discover your unique doshas through Ayurvedic consultations that restore balance, harmonize body, mind, and spirit with ancient wisdom for optimal health and vitality.

Somatic Therapy

Unlock your body's innate wisdom with a gentle approach that releases stored trauma, restores nervous system balance, and fosters emotional healing and resilience.

beauty

Facials

Reveal your skin's natural glow with our luxurious facials and mini treatments, using only high-quality organic products for radiant, nourished, and rejuvenated skin.

Facelift Massage

Rejuvenate and tone your skin with a revitalizing facelift massage that enhances circulation, lifts facial muscles, and restores a youthful, radiant glow naturally.

Sugaring

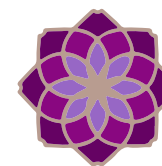

Experience gentle, natural hair removal with sugaring treatments that exfoliate the skin, reduce irritation, and leave you feeling smooth, refreshed, and confident.

Shaping & Tinting

Discover your perfect brow shape or lash shade with personalized treatments designed to enhance your natural beauty and complement your unique features effortlessly.

Manicures & Pedicures

Indulge in a deluxe manicure or pedicure in a private space as your nails are cleansed, nourished, and finished with premium vegan polish.

bliss

Reiki

Experience Reiki, a gentle energy healing practice that restores balance, reduces stress, and supports your body's natural ability to heal physically and emotionally.

RTT/Hypnotherapy

Experience deep healing with RTT, a specialized hypnosis technique that accesses the subconscious mind to create lasting, positive, and life-changing results.

Astrology & Tarot

Explore Jungian astrology, a transformative journey that reveals your hidden potential, deepens self-awareness, guiding you toward greater purpose and personal growth.

Yoni Steam

Experience the ancient ritual of yoni steaming with custom herbal blends that nurture your womb and harmonize all feminine cycles.

Qi Gong

Experience Qi Gong, an ancient Chinese healing practice combining mindful movement and breath to balance your energy, restore harmony, and encourage self-healing.
